

August 4, 2025

Dear Awardee,

On behalf of Healthier Generation, I want to offer my warmest congratulations on being named one of America's Healthiest Schools for 2025. This is a tremendous honor, and it speaks volumes about your dedication to supporting the health and well-being of the entire learning community.

As CEO of Healthier Generation, I'm thrilled to celebrate this achievement with you. The policies and practices you're implementing today will set students up for a lifetime of growth and success. I know how busy this time of year is, but I hope you'll take a moment to appreciate what you've accomplished.

Of course, none of this happens alone. It takes a full team effort, and we encourage you to share this recognition with everyone who helped make it possible—educators, staff, families, and community members alike.

The work of creating healthier schools continues, and we're honored to partner with you in that effort. Your leadership inspires schools across the country and reminds us what is possible with sustained commitment.

With appreciation,

Kathy Higgins
Chief Executive Officer
Alliance for a Healthier Generation
